

## **1810.04 Registration of Scrap Tire Haulers**

Issued January 1, 1994

**SUBJECT:** Registration of Scrap Tire Haulers.

**APPLICATION:** A State agency which transports scrap tires.

**PURPOSE:** To identify scrap tire haulers, and facilitate compliance with and enforcement of the collection, transportation, storage and disposal requirements of the Scrap Tire Regulatory Act (Part 169 of the Natural Resources and Environmental Protection Act, 1994 PA, as amended).

**CONTACT AGENCY:** Department of Environmental Quality (DEQ) - Waste and Hazardous Materials Division (WHMD), Storage Tank and Solid Waste Section (STSWS).

**TELEPHONE:** 517/335-4035

**FAX:** 517/373-4797

**SUMMARY:** All covered entities must register on an annual basis. There is no fee associated with this registration.  
The DEQ, WHMD, STSWS, Scrap Tire Program Lansing staff, provide the form needed to obtain the required annual registration. The STSWS also maintains a computer database of registered haulers.

**APPLICABLE FORMS:** EQP-5133, Scrap Tire Hauler Registration Form.

### **PROCEDURES:**

#### **Agency:**

- Contacts the STSWS, or any WHMD District field office, to obtain a copy of EQP-5133 (12/02) or to discuss requirements of the Scrap Tire Regulatory Act.
- Submits the registration form, with all requested information, on or before January 31st to:  
Michigan Department of Environmental Quality  
Waste and Hazardous Materials Division  
Scrap Tire Regulatory Program  
P.O. Box 30241  
Lansing, Michigan 48909  
No registration fee is required.

#### **DEQ:**

- When all the required information is provided correctly to the STSWS, assigns a permanent hauler registration number to the applicant. This registration number shall identify the hauler as long as it remains, by definition, a scrap tire hauler for purposes of compliance and enforcement.
